THANK YOU!

The Newtown 5k cannot happen without the support of sponsors like you!

For 40 years, the Newtown 5k has drawn runners and walkers near and far, showcasing the best of the village to thousands.

Building on this successful tradition, the 2022 race hopes to improve the experience for both participants and sponsors. Now a 501(c)3 organization, your sponsorship is tax deductible and digital marketing opportunities are available to reach participants beyond race day.

The 2022 Newtown 5k is brought to you by the Turpin High School Cross Country. Proceeds also benefit Interparish Ministries in Newtown.

Thanks,

Carolyn & Marshall Remmele
